

The background of the poster is a collage of three photographs. The top left shows a large Christmas tree at night, heavily decorated with warm white lights and various ornaments. The top right is a close-up of Santa Claus, wearing his traditional red suit and white fur trim, with a long white beard. The bottom half of the poster shows a busy outdoor market at night, with people walking between red and orange market stalls. One stall has a sign that says 'kommen' and 'GAG Immobilien AG'.
